## Urinal cistern exposed (9 litres) and autosyphon

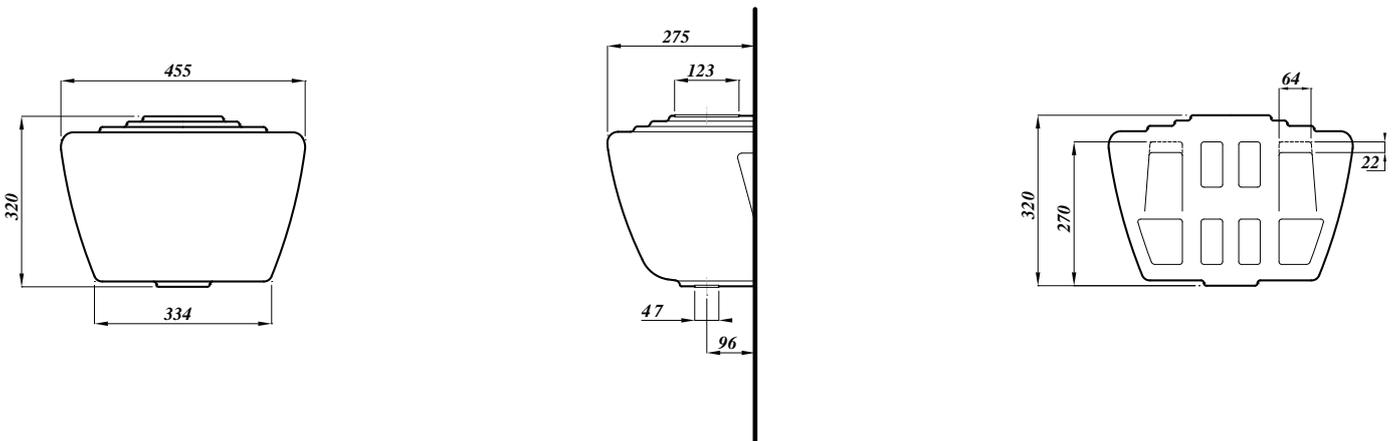

<b>Product Code</b>	<b>VBURCI9</b>
<b>Weight (Kg)</b>	11.9
<b>Material</b>	Vitreous China
<b>Colour</b>	White
<b>Flushing volume (ltr)</b>	9
<b>Standard</b>	BS5520, BS3402, EN13407-CL2-III-4.5B, WRAS approved
<b>Flushing mechanism</b>	Autosyphon

### Key features:

- CE Compliant
- Classical design
- 38mm outlet
- Includes petcock
- No electrical required

### Description:

This large urinal header tank comes supplied with a 9 litre autosyphon. This removes the need for manual flushing and is perfect for high traffic areas where multiple urinals are running off one feed.

All dimensions are approximate and subject to normal ceramic variation. Although every effort is made not to change the above product specification. Changes to technical detail may be made without prior notification where necessary.
