## Installation Instructions and User Guide

Traditional In Line Diverter

**Models covered:** TY2 SDIV C

Please keep this booklet for future reference.

Installer, when you have read these instructions please ensure you leave them with the user.

# Installation

1. Push the short connecting tube into the top outlet on the shower valve (not supplied) ensuring the nut and olive are fitted to the connecting tube.

2. Tighten the nut fully using a suitable spanner to ensure a water tight seal.

For rigid riser Installation please refer to the Installation Instructions supplied with the rigid riser.

# Operation

# Guarantee

At Bristan, we want to make things as easy as possible for our customers. That's why we design products that are easy to fit and use, and that are quality tested to make sure they won't let you down. It's also why we offer solid guarantees on all products, effective from the date of purchase, to give you peace of mind.

Bristan's shower accessories are covered by a **5 year guarantee**. This also includes **5 year labour cover\*** (subject to registration) which means that, in the unlikely event that there is a problem in the first year after purchase, we'll send one of our expert engineers to fix it.

\*Labour is provided by an approved Bristan Care engineer or appointed representative. The guarantee only applies to products with a manufacturing fault. There will be a call out charge for any incidents where no fault has been found with the product, or if the issue is due to poor installation or maintenance.

## Guarantee Terms and Conditions

This guarantee is in addition to your statutory and other legal rights and is subject to the following conditions:

- The product was purchased within the United Kingdom or Republic of Ireland.
- The guarantee applies solely to the original purchaser with proof of purchase.
- The installation must allow ready access to all products for the purpose of inspection, maintenance or replacement.
- Repair under this guarantee does not extend the original expiry date. The guarantee on any replacement parts or product ends at the original expiry date
- Any part found to be defective during the guarantee period will be replaced without charge, providing that the product has been installed in accordance with the instructions given in this guide and used as the manufacturer intended.

## The guarantee does not cover

- Damage or defects caused by:
  - General wear and tear (including special non-chrome finishes;
  - Components such as filters, seals, 'O' rings and washers)
  - Incorrect installation
  - Repair using non-Bristan part
  - Accidental or wilful misuse
  - Corrosion and the use of inappropriate cleaning products.
  - System debris including the build up of limescale (which can be controlled through regular servicing and maintenance)
- Compensation for loss of use of the product or consequential loss of any kind.

In the interests of continuous product improvement, Bristan reserves the right to alter product specifications without notice.

The Bristan Product Guarantee does not affect your statutory rights as a consumer.
