

AFTERCARE INSTRUCTIONS

Your fitting has a high quality finish and should be treated with care to preserve the visible surfaces.

All surface finishes will wear if not cleaned correctly, the only safe way to clean your mixer is to wipe with a soft damp cloth. Stains can be removed using washing up liquid. All bath cleaning powders and liquids will damage the surface of your fitting, even the non-scratch cleaners. **NOTE: Never use abrasive detergents or disinfectants or those containing alcohol, hydrochloric acid or phosphoric acid.**

GUARANTEE

All products are manufactured to the highest standards and a 5 year guarantee covers any defect in manufacture.

NOTE: The 5-year guarantee on the cartridge is invalidated if damaged by any waterborne debris.

All products must have access for servicing or replacement during the life of the product.

In the interests of continuous product development we reserve the right to alter specification as necessary

Luxury Bottle Trap

Fitting Instructions & Contents List

Please keep these instructions for future reference and request of replacement part

INSTALLATION

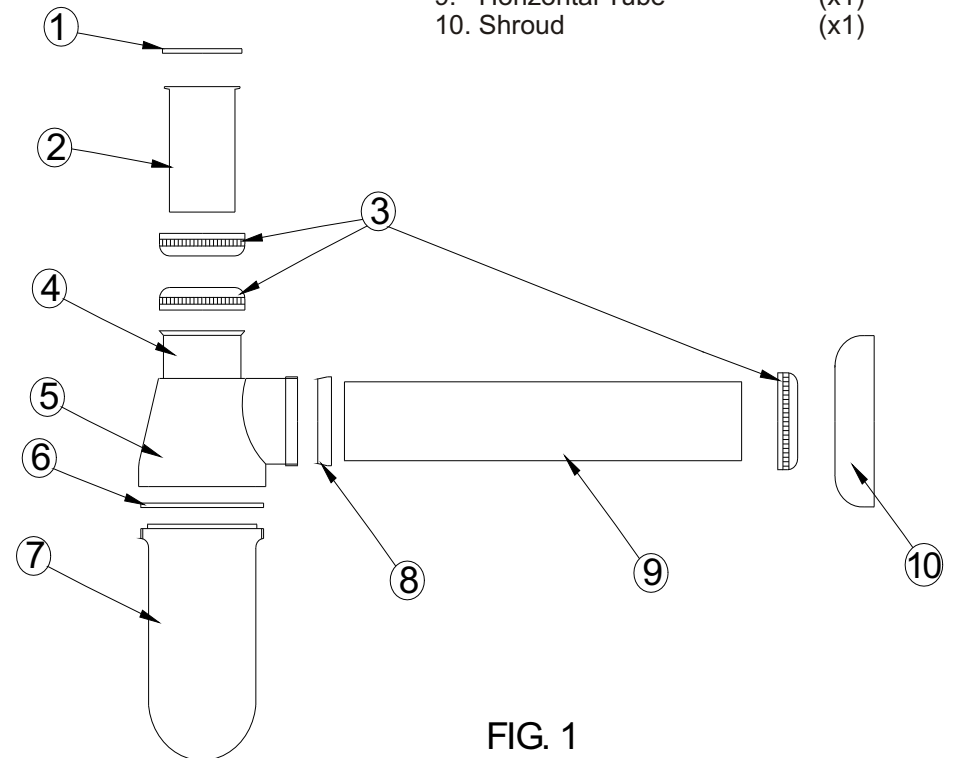

N.B. Before installation, please write the name and product code of your fitting in the space provided overleaf. This will ensure a speedier service if you should need to phone the helpline.

1. Identify all components and check for completeness, particularly before commencing installation.
2. Fit the rubber washer (6) to the trap (7) and assemble with body (5).
3. Fit one locking ring (3) over horizontal tube (9) and assemble with body (5) using tapered rubber washer (8) as a seal.
4. Push plastic trap tube (4) fully into body (5).
5. Fit two locking rings (3) onto vertical tube (2), push tube inside plastic trap tube, adjust to required length and secure with lower locking ring.
6. Place shroud (10) over horizontal tube (9) and connect to waste pipes (1 1/4" BSP - not supplied).
7. Using rubber washer (1) as a seal, connect vertical tube (2) to basin waste (not supplied) using the upper locking ring (3) from point 5.
8. Check all joints and connections for leaks.
9. See back page for aftercare instructions.
