

## TECHNICAL SPECIFICATION SHEET

### TORNADO PLUS FAST DRYER

#### 416090 Tornado Plus Smart High Speed Hand dryer

This smart high speed dryer is one of the fastest dryers in the market place.

##### Cleaner air

The sleek design conceals a built-in HEPA filter that removes over 99.9% of dirt dust and pollen from the air passing through.

##### More hygienic

The innovative antimicrobial cover, infused with silver ions, eliminates bacteria and fingerprints for a healthier, more hygienic washroom space. (>99.9% proven anti-bacterial efficacy against Staphylococcus aureus and Escherichia coli).

##### A quieter environment

The patented noise-cancelling air inlet design minimizes sound generation, delivering noise levels as low as 70dBA at 1m.

##### Adjustable power

The dryer's power output can be adjusted easily with a screwdriver without dismantling the dryer from wall.

##### Effortless installation and removal

The plug-in wall mounted back plate allows the dryer body to be quickly and easily detached and reattached without need for an electrician.

##### Key features:

- HEPA filter with Anti-bacteria cover material
- Short drying time 10-15 seconds
- Patented low noise inlet 70-76dBA
- Plug-in back plate

##### Technical specification:

- CE marked in accordance with all the relevant EEC Harmonised Documents
- IP24 Rated
- Adjustable air speeds 63-91 m/s
- Motor Speed 29,000RPM
- Sensing Distance 15-19cm

##### Product range details:

- Motor Protection auto stop at 60 seconds
- Heater Protection turns off at 95°C or more
- Supply Voltage 220-240V 50-60Hz
- Rated at 700-1000W adjustable
- Element 450-900 watts adjustable
- Weight 3.8kg

##### Colour:

Black

##### Dimensions:

H296 x W184 x D130mm

##### Stay informed

The intuitive, colour coded, smart LED indicator keeps you updated on operation and maintenance status to allow continued optimisation of performance.
