Icon: Two people

1

Diagram showing the bathtub with a horizontal line across its top. A dimension 'D' is indicated. A corner bracket is being attached to the wall. A flexible hose is shown connected to the bathtub's drain.

2

Diagram showing the bathtub in a corner. A pencil is used to mark the wall. A dimension 'D/2' is shown for the distance from the corner to the center of the bathtub.

3

Diagram showing a power drill being used to drill holes into the wall. A dimension 'D' is indicated for the distance between the holes.

4

Diagram showing the bathtub being lifted and attached to the wall brackets. A dimension 'D' is indicated for the distance between the brackets.

5

Diagram showing the bathtub fully installed. An hourglass icon is next to the text '12h', indicating a 12-hour drying time.
