

Bathroom Basin (Pedestal)

**INSTALLATION
INSTRUCTIONS**

Please follow these care instructions to ensure your product retains it's high quality finish and please retain this leaflet for future reference.

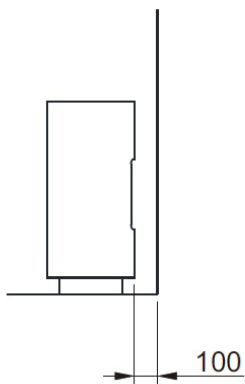

Maintenance

Surfaces should be cleaned with a soft cloth and warm soapy water. Rinse and dry after cleaning, this is extremely important for the area with hard water.

Under no circumstances should abrasive or acid based cleaning products be used.

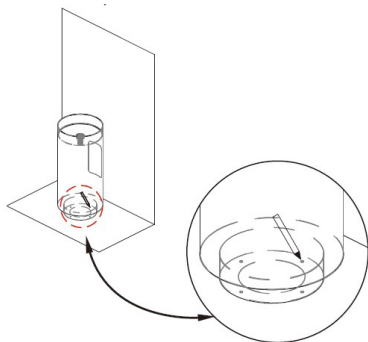

Step 1: Choose Location

Place the basin in the desired location on the floor ensuring it is approx 100mm from the wall.

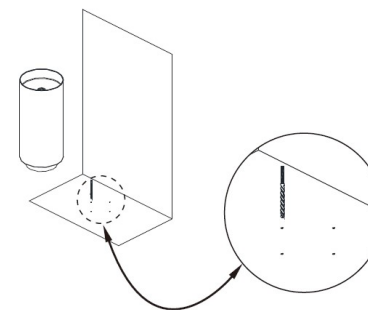

Step 2: Mark The Screw Positions

Use a pencil to mark the four screw hole positions on the floor.

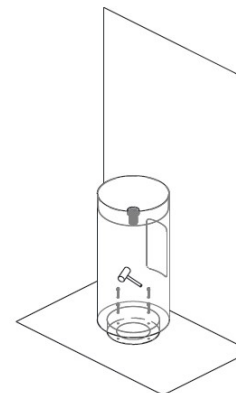

Step 3: Drill Holes

Drill the four holes using an appropriately sized drill bit.

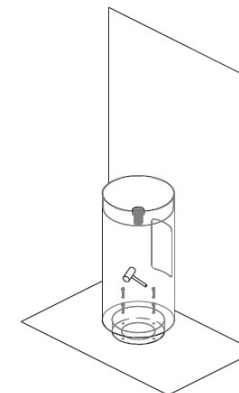

Step 4: Insert The Fixings

Insert the four bolt fixings into the drilled holes.

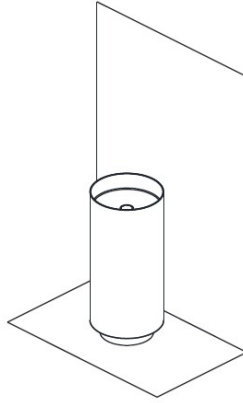

Step 5: Secure Sink

Place the sink onto the floor ensuring it is located within the previously marked area. Secure the sink by tightening the four bolts.

Step 6: Connect The Waste Pipe

Connect the sink to the waste system.

WARNING!

We recommend that this product is installed by a qualified tradesperson and we accept no liability for products fitted incorrectly.
