

**Round 3/4" Inch Deck Mounted
Side Valves
RDSV92**

**INSTALLATION
INSTRUCTIONS**

Please follow these care instructions to ensure your product retains it's high quality finish and please retain this leaflet for future reference.

Installation

1. Unscrew then handle pole and use the S3 Allen Key to loosen the M6 locking screw.
2. Remove the handle, flange and rubber washer from the valve body
3. Insert the valve body through the underside of the bathtub hole and then reconnect the flange to the valve body.
4. Place the handle on the valve stem (please pay attention to the direction and position), then use the lock nut to tighten the flange to the valve body
5. Screw the M6 locking nut back into the handle using the Allen Key and insert handle pole
6. Connect inlet and outlet pipe
7. Check all the joints to make sure there are no leaks.

WARNING!

We recommend that this product is installed by a qualified tradesperson and we accept no liability for products fitted incorrectly, and where the correct testing procedures have not been used, resulting in the escape of water.
