

AQUATREND TAP CHROME

TRE1SLPOCM/

Modernly designed, the Aquatrend single-lever kitchen tap features a unique pin handle design with a tall sweeping spout which creates a statement piece in any style of kitchen. The Aquatrend pull-out kitchen tap features a discreet pull out hose which is great for cleaning stubborn stains on dishes or cleaning tight kitchen sink corners, making everyday cleaning tasks easier. The pull out hose is retractable so that it sits hidden within the tap not altering its design style and appearance when not in use.

The Aquatrend kitchen tap range includes a number of different pieces to suit any kitchen need; choose from dual-lever, single-lever and pull-out designs.

- Featuring a retractable pull-out hose
- Suitable for high pressure water systems emitting a minimum pressure of 1.0 bar or above
- Featuring an anti-splash spout with honeycomb aerator design which mixes air with water to emit a water flow with no splash
