

This instruction booklet covers model:
AX-SIR-MFSRK-DB-CP

SIRKEL

INSTALLATION /
USER MANUAL

Important - please read

Please read these instructions carefully before starting installation and keep for future reference.

Remove all packaging and check the product for missing parts or damage before starting installation.

Any alterations made to this product and fittings may infringe water regulations and will invalidate the guarantee.

The installation must comply with all Local/National Water Supply Authority Regulations/Byelaws and Building and Plumbing Regulations.

To be installed in accordance with BS EN806.

We strongly recommend that you use a qualified and registered plumber.

General installation

Please read these instructions carefully before starting installation and keep for future reference.

Remove all packaging and check the product for missing parts or damage before starting installation. Please take great care when installing this mixer not to damage its surface.

⚠Warning! Please check for any hidden cables and pipes before drilling holes in the wall.

Note: The fixings supplied are for solid walls only. If you are fitting the accessory to a partition or wall of particularly soft substrate you will need specialist fixings.

Handset

Slide rail

Shower hose with 2 washers

Dimensions

Installation

⚠ Warning! Please check for any hidden cables and pipes before drilling holes in the wall.

Position the rail on the wall, bearing in mind the different heights of people likely to use the shower.

Make sure that the slide rail is vertical using a level. Mark the wall to indicate the position of both brackets and remove.

Find the centre of the marked position. Suitably fix the wall bracket to the wall using appropriate fixings.

The supplied fixings are for solid walls.

Installation

Slide the rail down through the bottom bracket (the bottom bracket will need to be rotated slightly) until it fits under the top bracket. Then push the rail up through the top bracket until it is equal each side of the brackets.

Push a rubber insert into the hole of the bracket, screw in the grub screw and tighten.
Push on the cover.
Repeat for the other bracket

Installation - Shower hose

Shower hose

Push the cone end of the hose up through the hose retainer.

Handset

Place one of the rubber washer into the cone end of the hose and screw to the handset.

Valve

Place the second rubber washer into the nut end of the hose and attach it to the valve outlet.

Operation

Cleaning instructions

The electroplating on this product is finished to the highest standard. Due care needs to be taken to ensure the appearance is retained. We recommend cleaning all products with a soft damp cloth **ONLY** and advise strongly against the use of all aggressive/corrosive cleaning products i.e. powders and liquids. If these instructions are not followed, this may invalidate your guarantee in the event of a problem occurring.

Guarantee

All AXCES by VADO products come with a 2 year guarantee as standard. Within this guarantee period VADO will provide replacement parts and any labour **[SEE NOTE 1, GUARANTEE CONDITIONS]** needed to complete the product repair.

This standard guarantee may be extended by registering your product to give a 10 year guarantee (2 years parts and labour plus 8 years on parts supply only.).

Operational components such as, but not limited to; thermostatic cartridges, diverters, headworks and flow control, waste mechanisms, shower hoses, O-rings and seals are guaranteed for 2 years parts and labour plus 3 years on parts supply only.

Guarantee Conditions

Our products are guaranteed against manufacturing defects from the date of purchase until the expiry of the relevant guarantee period shown above.

The guarantee is only valid if:

- The product has been installed, used and maintained in accordance with VADO's instructions and subjected to normal use only.
- The defect is not due to use of an unsuitable or inadequate water or power supply.
- The defect is not due to accident, misuse, neglect or incorrect/inappropriate repair (other than by VADO or VADO authorised agents) or damage caused by foreign objects or substances.
- The extended guarantee is only available if you have completed the Guarantee Registration Process. This can be done via the VADO website or via phone to our aftersales team. Registration must be completed within 6 months from date of purchase.

Under the extended guarantee period VADO will, at its option, offer to supply any replacement product (or component part) assessed to be defective **[SEE NOTE 2]**.

The guarantee (whether standard or extended) is non-transferable to any subsequent owner.

All claims under the guarantee should be notified in the first instance to our Aftersales department, contact details below, this must be done no later than the last day of the relevant guarantee period. All claims must be accompanied by proof of purchase (sales receipt or delivery note) from an official AXCES by VADO dealer.

The guarantee does not extend to any consequential loss or damage.

After repair or replacement, the relevant guarantee period will be calculated from the original date of purchase.

VADO operates a policy of continuous product development and therefore reserves the right to change the product, packaging and documentation specifications without notice.

NOTES:

[1] Labour via our engineer network is only available in the UK. Attendance by a VADO engineer or sub-contract engineer will be under our standard terms and conditions.

[2] VADO reserves the right to charge in advance for a product (or replacement part) pending collection and investigation (at VADO expense) to confirm a defect is due to a manufacturing issue. If a defect is found the charge will be refunded or cancelled.

This guarantee is in addition to and does not affect your statutory rights as a consumer.
